

# EUREKA ATOM 60 Electronic Grinder

## Key Features

**Silent Technology** reduces grinding noise by 15/20 dB compared to conventional grinders

**"Espresso & Brew"** the special burr design makes Atom a suitable grinder for both espresso and filter coffee

**High speed** grind dispersion

**Stepless** micrometric regulation system (patented by Eureka)

**5 button "Barista Special" electronics** with "start & stop" function and "extra dose" mode

**ACE System** conceived to prevent the presence of clumps and eliminate the electrostatic charge of ground coffee

**Adjustable fork** for hands-free operation

**Compact dimensions** conceived to optimize the barista's space

**High-speed maintenance** without losing grind settings

**Durable** die-cast aluminum body

**Finishes:**

- chrome
- matte black
- pearl white
- glossy red
